Real Estate Tax Due December 7

The second installment on 2009 Town of Vienna real estate tax bills is due on December 7. Mailed payments must be postmarked on or before that date to avoid penalties and interest. For your convenience, an overnight drop box is located at the front door of Town Hall.

If you have not received your bill by November 16, please call the Real Estate Office at 703-255-6325 or e-mail mpeng@viennava.gov. If your Vienna taxes are paid through your mortgage company and you receive the tax bill, please notify your mortgage company immediately. If you have sold the property and are not responsible for the tax bill you receive, please notify the real estate office immediately.

To pay by debit or credit card online, go to www.viennava.gov/Town_Departments/onlinepay.htm. To pay by phone with a credit card, call 1-888-2PAYTAX (1-888-272-9829) and use the Jurisdiction Code 1094 for real estate. Make sure you record the confirmation number given to you at the end of the transaction, as this will serve as your proof of payment.

Comment from the Council Table

Vienna's First Responders

By Howard J. Springsteen, Vienna Town Councilman

Many of our citizens are not fully aware of our unsung heroes, Vienna's First Responders. These are the men and women of the Vienna Police Department, the Fairfax County Fire and Rescue Department career staff assigned to the Vienna fire station, and the Vienna Volunteer Fire Department (VVFD). Both police and fire personnel are on duty round the clock 365 days a year responding to over 15,000 emergency calls for assistance within the Town of Vienna.

The Town of Vienna Police Department comprises 41 sworn officers and 11 civilian employees with a fiscal year 2010 budget of \$5.7 million.

The Chief of Police, Colonel Robert A. Carlisle, is the top law enforcement authority within the agency and is supported by a Command Staff of a Deputy Chief and three Lieutenants. Each Lieutenant commands one of three divisions: Patrol, Support Services, and Administration.

Within the Patrol Division there are four squads, each comprising a Sergeant, a Master Police Officer (who acts as the supervisor in the absence of the Sergeant), and three patrol officers. The Traffic Squad, which includes four motorcycle officers, one officer assigned to a cruiser, and a Sergeant, falls under this division.

The Support Services Division consists of five detectives, two undercover narcotics officers, one gang detective (assigned to the Northern Virginia Gang Task Force), a Public Information/Community Relations Officer, and an Animal Control Officer.

The Administrative Division encompasses records, communications, information technology, and training. It consists of seven civilian dispatchers, an Information Technology Coordinator, and the Vienna representative to the Fairfax County Criminal Justice Academy. It's estimated that the seven dispatchers received over 20,000 phone calls last year.

Patrol officers work 12-hour rotating shifts from 7 a.m. to 7 p.m. or from 7 p.m. to 7 a.m. For every two-week period, the officers work seven 12-hour shifts and rotate from day shift to night shift every 14 days. Shift work takes its toll on officers

and their families alike.

The newest online publication, *Vienna Police Highlights*, provides Vienna residents with the vital facts they need to be well informed, dispel rumors, and stay safe. The department has also acquired and implemented an Emergency Telephone Notification System, which can deliver critical information to all the telephones in a specifically selected geographic area of the town.

In calendar year 2008, the department responded to 12,876 calls for service. Officers made 544 arrests for criminal offenses and investigated 430 traffic crashes.

In terms of Fire and Rescue protection, the Town of Vienna and surrounding community is protected by a combined Fairfax County career and volunteer effort. Of the 40 fire stations across the county, the Vienna fire station is one of only 12 volunteer fire stations. The Vienna volunteers own and maintain all of the property and purchase all the emergency vehicles you see each day.

The Fairfax County Fire and Rescue Department (in existence for over 57 years) provides 24-hour staffing coverage with three shifts of 22 highly trained career personnel. The Vienna Volunteer Fire Department has 32 operational members who help staff additional units to provide supplemental staffing and assistance. In addition, along with some 60 support and auxiliary members, they run the day-to-day operations of the organization and help raise funds to purchase the equipment, pay off the fire station building mortgage, maintain the fire station, and are involved in numerous community outreach activities. In calendar year 2008, the Vienna fire station responded to over 4,300 emergency calls for assistance. The total cost needed to operate this fire station, using both funds raised by the volunteers and Fairfax County funds to pay the salary costs of career staff, phone and communications, utilities, vehicle maintenance and insurance, exceeds \$2.8 million a year. There is a fully staffed fire engine and a medic unit (ambulance) on duty 24 hours a day.

The VVFD was established in 1903 at

Councilman Springsteen

the behest of Councilman Leon Freeman. This was the first volunteer fire department in the area. The VVFD purchased the first motorized fire protection in Fairfax County – a 1919 Model T Ford truck. In September 1929, the VVFD received its charter and was established as Company 2. New vehicles were purchased to keep pace with the growing needs of the community. In 1946, the department purchased a new pumper from the Maxim Motor Company. This pumper is on display at the station and is used during parades, the annual Santa Run, and other public events. The department's very active auxiliary was organized in 1927 and was the first such group in Fairfax County.

In 1958, the Fire Department constructed its present facility at 400 Center St., S. The department currently owns and maintains the property and station facilities. In 2004-5 the fire station underwent major building renovations that cost over \$3.6 million, resulting in dramatically improving the living and working environment for both volunteer and career staff operating out of the station. Many of the Fairfax County Fire and Rescue career firefighters have come from the volunteer ranks, including current Deputy Chief of Operations David Rohr, who grew up in town. His sister-in-law, Ruth Rohr, is a civilian employee of the Vienna Police Department who works under the Police Chief and assists in dispatching police calls among her many responsibilities. For more information about the Vienna Volunteer Fire Department go to www.vvfd.org.

Nominate Your Favorite Business for Community Service Award

The Vienna Town/Business Liaison Committee invites nominations of businesses and business owners for the 2010 Carole Wolfand Community Service Award. The award is given each year to a town business entity or business owner in recognition of outstanding contributions to the community life and spirit of Vienna.

Anyone may submit a nomination. (No self-nominations will be considered.) To qualify, the nominee must be a business entity or business owner located within the Vienna town limits. To nominate a business or business owner, please submit the following:

- Business name of nominee
- Business address of nominee
- Business phone number of nominee
- Description of contribution/action to be considered and why (200 words or less)
- Name, address and phone number of person making the nomination

Entries should be typed or legible and must be received by January 29 to be considered. Send to: Town/Business Liaison Committee, c/o Julia Haskins, Vienna Town Hall, 127 Center St., S., Vienna, VA 22180. Nominations may also be faxed to 703-255-5729 or e-mailed to jhaskins@viennava.gov (put "TBLC award" in subject line).

Express Your Views on Bus Service

Fairfax County is developing a comprehensive 10-year plan for bus service county-wide that includes both Fairfax Connector and Metrobus. The County Department of Transportation (FCDOT) held a public meeting on transit development planning last month at Town Hall and will continue to accept comments through the end of November.

Use the online comment form at www.fairfaxcounty.gov/cfdot/tdp.htm, call 703-324-1500 to record your comments by phone, or write to Randall White, FCDOT, 4050 Legato Road, Suite 400, Fairfax, VA 22033-2895.

Memorial Will Honor Richard Black

The Town of Vienna will dedicate a bike rack and tree at the Vienna Community Center in honor of Richard Black, former Director of Parks and Recreation, who died this summer. In cooperation with his family, the memorial dedication has been scheduled for 2 p.m. Saturday, November 7, at the Community Center. The public is invited to attend the ceremony.

In addition, contributions are being accepted to help pay for the bike rack, which will have five loops with the custom Town of Vienna design on each end. It will be freestanding so it can be moved around as needed, much like the current rack on site. If you would like to donate, please make your check payable to the Town of Vienna and send to Cathy Salgado, c/o Town Hall, 127 Center St., S., Vienna, VA 22180.

"Vienna at Your Service" Features Presbyterian Chapel

Join Mayor Jane Seeman at the next "Vienna at Your Service" meeting on Tuesday, November 17, from 7:30 to 9 p.m. at Vienna Presbyterian Church, 124 Park St., N.E.

Vienna historian Mayo Stuntz will talk about the church's "little chapel," built in 1874. Vienna Presbyterian has grown from its original nine organizers to become the largest Presbyterian church in Virginia.

Vienna at Your Service was designed to give citizens the opportunity to learn more about their community. Participants are asked to register with the Vienna Parks and Recreation Department. For more information, call 703-255-6360.

Bike Advisory Committee

The newly formed Vienna Bicycle Advisory Committee will meet at 8 p.m. Thursday, November 19, in the lower level conference room at Town Hall. All interested citizens are welcome to attend.

Town of Vienna Snow Removal Program & Winter Weather Guide

Closings & Cancellations

For information on town government closings, cancellations and other snow-related items, residents can call the Vienna Newsline, 703-255-6333, or visit the Town Web site, www.viennava.gov, 24 hours a day. Also stay tuned to local TV and radio stations for updates.

The Vienna Community Center follows Fairfax County Public Schools' snow schedule. If schools are closed, activities at the Community Center will be canceled.

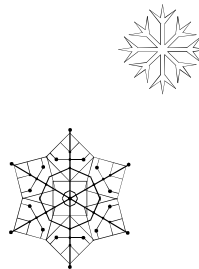

Snow Removal Award

This winter, if you feel that any businesses or citizens have done an excellent job in removing snow from their driveways and/or sidewalks, or helped others in removing snow, please nominate them for a Snow Removal Award. To make a nomination and for more information, call the Planning and Zoning Department at 703-255-6341.

Snow Removal

Sanding and salting operations begin immediately at the onset of snow and ice. Plowing begins when snow has accumulated two inches or more, with the primary streets listed below receiving top priority:

Maple Avenue
Nutley Street (Marshall to Malcolm)
Park Street (Maple to Fardale)
Center Street (North and South)
Kingsley Road (Nutley to Park)
Courthouse Road
Locust Street (Branch to Park)
Lawyers Road
Malcolm Road
Old Courthouse Road
Creek Crossing Road
Cottage Street
Church Street
Tapawingo Road (Park to Nutley)
Follin Lane
Branch Road
Beulah Road
Cherry Street (Center to Park)
Marshall Road
Electric Avenue
Glyndon Street (Locust to Church)

Once these streets are passable, snowplows can then move into residential subdivisions following established routes. If the primaries require salting/sanding/plowing again after one pass, this will be done before going to the secondary streets.

Snow Emergency Routes

Snow emergency routes within the town are marked by signs. No parking is allowed on these main streets during snows so that plows can do a more efficient job. Vehicles must have chains or tires approved for use during snow emergencies.

Parking During Snows

When snowplows are at work, residents are asked not to park on any street posted as a “snow emergency route,” and on non-snow emergency routes residents are asked to park only on the side of the street with even-numbered addresses, or in their driveway, garage or carport, if possible. This parking plan is voluntary but strongly recommended to enable snowplows to maneuver more easily. It is best not to clear your private driveway until the snow plow has cleared the street because it is not possible to keep snow from closing up the driveway area.

Clearing Sidewalks

Residents who are physically able are requested to shovel sidewalks next to their property for the safety of pedestrians, especially schoolchildren. Vienna area teens are available to shovel snow and help with other odd jobs through the Vienna Parks and Recreation Department’s Job Bank. The teen and the person needing the work decide on the amount to be paid for the service. Teens can sign up with the Job Bank at the Community Center, and residents can call 703-255-6360 to be matched with a young worker.

Town businesses that hire snowplows to clear their parking lots are asked to make sure that snow is not piled onto adjoining sidewalks or pushed into the street. This creates a serious hazard for pedestrians.

Clearing Fire Hydrants & Water Meters

Residents who can are asked to assist the Water and Sewer Division in clearing ice and snow from fire hydrants near their homes. In case of an emergency, firefighters will be able to respond much quicker if the hydrants are accessible.

During winter weather, please keep water meter enclosures clear of snow and ice. If the meter cannot be read due to obstructions, an estimated bill must be rendered.

Some Frequently Asked Questions About Snow Removal

- Q: Which streets are plowed first and why?
A: Primary streets, which are most important for emergency situations, followed by secondary streets and cul-de-sacs.
- Q: Why don’t they plow from curb to curb?
A: Plow crews are trying to open area streets for emergency access with the initial pass. When primary streets are clear, crews will return for additional plowing.
- Q: Why do I sometimes see a snowplow going down the street with its blade up?
A: It may be going to a preassigned area, applying sand or returning to the property yard for more sand.
- Q: Why don’t they plow my cul-de-sac better?
A: Maneuverability in cul-de-sacs is very difficult for snow plows, and cars parked on the street can make plowing nearly impossible.
- Q: Why do they plow the snow onto my yard?
A: This occurs mainly on corner lots in order to widen the intersection for increased safety.
- Q: Where should I put the snow when I dig my car out so it won’t be plowed in again?
A: To the edge of the roadway.
- Q: Is there an ordinance requiring residents to shovel sidewalks?
A: The Town of Vienna has no such requirement, mainly because it would impose a hardship on elderly and disabled residents.
- Q: Who is responsible for clearing business parking lots?
A: The business owner.

This Month in History

from the Vienna Newsletter archives

NOVEMBER 1999 – Vienna's Community Enhancement Commission is ordering 2,000 tree seedlings from the Virginia Department of Forestry for distribution to town residents to be planted in celebration of the new millennium. A variety of seedlings will be available to pick up free of charge at the Community Center.

NOVEMBER 1989 – The Town Council will hold a public hearing November 6 on a proposed meals and lodging tax. A 3% tax has been proposed to finance bond issues for the Town's Capital Improvements Program, which includes a new police building, renovations to Maple Avenue, storm drainage improvements, and other major projects.

NOVEMBER 1979 – The Town Council has approved an incentive program to encourage litter control and beautification in Vienna's commercial areas. In a resolution adopted November 19, Council endorsed the efforts of the Vienna Business Beautification Committee and expressed support for the committee's plan to conduct a quarterly "best-looking business" competition beginning in the spring.

NOVEMBER 1969 – Mayor Jim Martinelli wrote, "The war in Vietnam has been much on all our minds. While we deplore the horror of war and the slaughter of our young men, let us not minimize their sacrifices. We honor these men on November 11 at Vienna's Veterans Day ceremonies. We hope that more people than ever will turn out this year to pay tribute to our service men, and to say a prayer for peace."
